How It Works:

During the Winter Wishlist Holiday Drive, families who are current clients of HopeWorks sign up to be sponsored for the holidays. Donors are then 'matched' with a family and are provided with details such as family size and a wish list.

We ask that all gifts be in the form of gift cards.

In addition to promoting health and safety, gift cards also empower our clients by allowing them to make choices about the gifts they wish to provide for themselves and their families!
