

HopeWorks Annual Sponsorship Information Packet

Our mission is to support and advocate for people in Howard County affected by sexual and intimate partner violence and to engage the community in creating the change required for violence prevention.

Dear HopeWorks Supporter and Friend,

I am writing to encourage you to **become a HopeWorks Sponsor.**

For more than 40 years, HopeWorks has supported and advocated for people in Howard County affected by sexual and intimate partner violence. We have become a key partner in the movement to end violence by providing critically necessary direct services, including emergency housing and a 24/7 hotline, counseling, legal and advocacy services. HopeWorks is also committed to addressing the root causes of violence through prevention and wellness programs, building awareness, and cultivating community engagement and leadership.

To continue and expand this life-saving work, **HopeWorks relies on community partnerships with people like you.** Government grants don't go far enough to provide the comprehensive, trauma-informed services that anyone experiencing intimate partner and sexual violence needs and deserves. And those funds don't adequately support prevention work that is essential for our community.

Become a HopeWorks Sponsor. Let our community know you are partnering with HopeWorks to support survivors and create the change needed to end intimate partner and sexual violence.

Please take a moment and review the enclosed details. Our sponsorship levels start at \$250, making them accessible to small businesses and community groups. With your generous support, HopeWorks will continue to build the world we believe is possible. One where everyone is safe, valued, and reaches their full potential.

To become a sponsor, fill out the form on the last page and return it to HopeWorks by mail or email. For more information, please email our Development Manager, Allison Adams at aadams@hopeworksofhc.org.

Thank you in advance for your commitment and desire to be part of the movement to end violence.

With gratitude,

A handwritten signature in black ink that reads "Michele Beaulieu".

Michele Beaulieu
HopeWorks Board President
